Profile

Instructional Designer and Learning Experience Designer with an M.A. from NYU Steinhardt and 4+ years building accessible, data-informed learning systems for global and Indonesian Educational Technology audiences. Background spans curriculum mapping, LMS administration (Moodle, Brightspace, ManageBac, Google Workspace for Education), and custom learning platform development, with hands-on experience translating instructional needs into working tools when off-the-shelf systems fall short.

Education

NEW YORK UNIVERSITY, Steinhardt

Brooklyn, New York

Master of Arts, Learning Technology and Experience Design, GPA 3.917

May 15th, 2025

- **Capstone Thesis:** ETHIC: Educational Technology Hub for Indonesian Community.
- Developed ETHIC prototype, a Community of Practice platform designed to bridge the theory-practice gap through mentorship-driven curriculum mapping and user-centered research.
- Awarded LPDP (Lembaga Pengelola Dana Pendidikan) full Scholarship by the Ministry of Finance.
- **Coursework:** Foundation of Learning Sciences, Foundation of Cognitive Science, User Experience Design, Narrative Digital Media and Learning, User Research Methods, Design Process for Learning Experience, Designing for Immersive Media, Tangible Electronics for Teaching and Learning, Experience Design and Artificial Intelligence, and Affective Interfaces.

UNIVERSITAS NEGERI JAKARTA

Jakarta Timur, DKI Jakarta

Bachelor of Education, Educational Technology, GPA 3.88

February 24th, 2020

- **Thesis:** The Development of Character Education Guidebook for Elementary School Teachers.
- Awarded BIDIKMISI full scholarship by the Ministry of Research, Technology, and Higher Education.
- **Coursework:** Instructional Design, Introduction to Visual Communication, Learning and Education Theories, Educational Diffusion of Innovation, Designing E-Learning.

Professional Experience

YAYASAN PENDIDIKAN KADER BANGSA INDONESIA

Jakarta Timur, DKI Jakarta

Digital Transformation Specialist

November 3rd, 2025 – Now

- Administered ManageBac and Google Workspace for Education across 5 schools with approximately 600 students, managing curriculum delivery, assessment tracking, and academic records for IB programs.
- Identified gaps in an admission process built on Google Spreadsheets, with no online/offline proctoring note or live discussion assessment; designed and built the Admission Suite, introducing automated scoring, exam proctoring, and live discussion evaluation for 400 applicants.
- Built the AKB Student Dashboard, a longitudinal learning analytics tool tracking IB student academic progress, assessment scores, and predicted grades across 7 schools, giving stakeholders a single view for data-informed instructional decisions.
- Partnered with each school's academic and counseling teams to define data structures and reporting needs, translating non-technical requirements into functional learning systems.

LEARNING AND TEACHING NEXUS NYU SPS

Manhattan, New York

Graduate Assistant: Learning Design

May 22nd, 2024 – May 8th, 2025

- Designed instructional resources for NYU SPS faculty, ensuring all digital content met ADA and Section 508 accessibility standards.
- Partnered with subject matter experts to translate pedagogical goals into interactive online modules, increasing faculty adoption of digital learning tools.
- Authored a knowledge base on instructional planning best practices, used by 100+ faculty members to support hybrid course delivery.

PT NINDYA KARYA

Jakarta Timur, DKI Jakarta

Training StaffJanuary 29th, 2021 – July 31st, 2023

- Developed 90+ e-learning courses in Articulate Storyline, H5P, and Genially, applying distance learning principles to close skills gaps for 500+ remote employees.
- Rebuilt curriculum mapping and assessment tracking on a Moodle-based LMS, used nationwide by construction officers.
- Worked with IT to maintain system reliability and expand Open Educational Resources, reducing annual training costs by 20%.

Leadership and Organizational Activities

NYU INDONESIA – TRAINING AND MENTORSHIP TEAM

Manhattan, New York

Training Team Member

2024 – 2025

- Co-created a training and mentorship plan for prospective and current students.
- Facilitated multiple training and informational events.
